- **Personal Vita**

I have been married to my wife Nicole since 1991. I am the father of three daughters McKenzie, age 20, Kennedi, age 17, and Delaney, age 11. All three have played soccer at various levels since 1999, from the Modified level to the Premier level. I am very active in the local community and local schools. I enjoy outdoor activities along with travel. I am skilled/trained in analytics, basic business tools, and organizational leadership.

Statement of Function

Major Community Projects

1. Assisted city of Covington in funding for Covington Park, Phase 1, funding for first soccer field, (built).
2. Fundraising of Petrovitsky Park - two 120x78 FieldTurf fields $1.5 million dollars project (built).
3. Creation of a separate non-profit to mange asset of Petrovitsky project to ensure funds will be available for resurface needs when required, along with managing future field projects within the greater Kent/Covington area.
4. Kent Valley, Pea Patch. 12 acre grass field complex with seven soccer fields. Phase 1 - North 60% of acreage - install irrigation, leveling and planting of grass(built). Phase 2 - South 40%, set for summer 2013 (pending)
5. Kent School District funds allocation for three high schools with conversation to synthetic turf and lighted fields. Kentlake (built), Kentridge and Kentwood funding approved and construction planned 2013-14. (pending)
6. City of Kent resurface of Wilson Fields older style synthetic surface, conversation of other fields to synthetic surface (pending)

Major Soccer Initiatives

1. Assisted with creation of TOPSoccer program within Kent.
2. Creation of Kent United Select Soccer Program, along with creation and implementation of a seamless program model for youth soccer from Modified (recognized "Adventures/Juniors "program model) and Recreational redesign to meet varied needs of Recreational player.
3. Resurrection of the Kent Cornucopia Tournament, whose total net profits are divided amongst volunteers to be used by teams to underwrite the cost of playing soccer for members.
4. Equipment infrastructure built so that Kent Youth Soccer would be able to avoid any field impediment issues and set up anywhere with enough mobile equipment to meet the entire associations needs.
5. Oversaw board reorganization and bylaw rewrite, bringing in quality/qualified board members, fiscal responsibility, long range planning, renewed positive relationships with neighboring associations, non-soccer sports groups, and government s.
6. Initiated rebranding of KYSA to Kent-Covington Youth Soccer (KCYS) in recognition of our boundaries and membership served, and meeting the request of the Covington community requesting recognition.
7. Worked on merger, affiliation relationships for all programs, to include release of the Regional Club, Dos FC, to reform as the new PacNW.

Major School Initiatives

Creation of Kent Schools Initiative (KSI) as part of rewritten association bylaws requiring support of school based programs that promote community, volunteerism, and a healthy lifestyle. Since 2010, over $30,000 has been provided to Kent School programs as part of the KSI, to include:

1. A college assistance program for high school soccer players based on merit and community volunteer work.
2. New uniforms for high school soccer programs.
3. Various equipment needs for athletic programs with the districts 41 schools
4. Support of after school programs promoting healthy lifestyles and high academic standards.
5. The Sounders FC ticket event; now in its fifth year. This program provides pairs of tickets to every school, to be giving away as a school based incentive.
6. Community event night for the members of the Kent/Covington community with personal appearance by a Sounder FC player.
7. Support of PTA programs within the schools

Major Career Highlights

Overseeing the National Investigations Program for the Nordstrom Company. Responsible for eight regional mangers and supporting teams charged with protecting the company assets from material and intellectual theft internally and externally. Designing and implementing National standards for policies and procedures, implementing automated data storage systems to account for and track assets and employees, planning for new store construction and security system purchasing, design, and installation.

Working as a public school teacher for the Kent School District, teaching 3/4th grade Highly Capable students. Serving on several curriculum and community connection committees.

Written Acceptance of Nomination

Stated and confirmed, if accepted as a board member for Washington Youth Soccer (WYS) at the state AGM in May of 2013, I am capable and willing to serve out the term elected to, and all obligations that come with this role.
