

MEDICAL PLAY DOWN APPLICATION Disabled or Physically Challenged Child

A parent of a child who is considering participating in Washington Youth Soccer playing small sided, or recreational soccer may request a medical play down exception to allow the player to play down in age one year if the following criteria are met.

The child's physician will submit a letter with the following information.

- Brief explanation of the child's medical condition.
- How specifically will the player benefit from playing with children one year younger?
- Does the player pose a danger to children younger than the player during physical activity?

Washington Youth Soccer strictly adheres to the US Youth Soccer Registration Policy.

A medical play down exception once approved is only in affect for the seasonal year, and expires at the end of the regular season.

The parent shall submit:

- Physician Statement
- Signed Hold Harmless agreements
- Completed Play Down Form with Medical Release
- Copy of the state issued birth certificate

Please mail to the address below, or send the completed packet to Terry Fisher, CEO, terry@WashingtonYouthSoccer.org. Only completed packets will be considered.
